Approval or disapproval as required in these covenants by the Olde Mill Committee shall be in writing. Section 5.1 Maintenance of Lots and Improvements. The Owner of any Lot in Olde Mill shall at all times maintain the Lot and his Olde Mill Residence, Building or other structure situated thereon in such a manner as to prevent the Lot, Olde Mill Residence, Building or other structure from becoming unsightly and, specifically, such Owner shall:

5.1.1 Mow the Lot at such times as may reasonably be required in order to prevent the unsightly growth of vegetation and weeds and exercise good husbandry with respect to all landscaping located thereon.

5.1.2 Remove all debris or rubbish.

5.1.3 Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of Olde Mill.

5.1.4 Cut down and remove dead trees.

5.1.5 Keep the exterior of the Olde Mill Residence, Buildings and other structures in such a state of repair or maintenance as to avoid their becoming unsightly.

5.1.6 Maintain the tree plot and landscaping between the sidewalk and any public street adjacent to the Owner's Lot.

5.1.7 Maintain the landscaping and tree plot, if any, between the Owner's Lot and the curb of any public street adjacent to the Owner's Lot.

Reference is hereby made to the terms and provisions of Winslow Farm Declaration which requires the Community Association to maintain signage within Winslow Farm. Each Owner of any Lot upon which any such signs or landscaping are located grants a perpetual appurtenant easement to the Community Association to repair, replace and maintain any entrance signage located on any Lot in Olde Mill.

Section 5.2 Subdivision of a Lot. There shall be no subdivision of any Lot within Olde Mill nor any sale thereof in parcels except that a portion of a Lot may be sold to an adjoining Lot Owner if no new Lot is created and if the transferor obtains the prior written approval of the Olde Mill Committee. The setback requirements set out in Section 4.6 cannot be waived.

Section 5.3 Winslow Farm Declaration. Each Owner of a Lot in Olde Mill is expressly subject to the additional restrictions applicable to all Owners in Winslow Farm contained in the Winslow Farm Declaration which is incorporated herein by this reference.

Section 6 Enforcement. The provisions of Sections 4 and 5 hereof shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of Olde Mill. In the event that any Owner fails to fully observe and perform the obligations set forth in this Declaration, and in the further event that such failure is not cured within thirty (30) days after written notice of the same is given by the Olde Mill Committee, any Owner of any Lot within Olde Mill shall have the right to commence judicial proceedings to abate or enjoin such failure, and to take such further action as may be allowed at law or in equity to correct such failure after commencement of such proceedings. In the event that such failure causes or threatens to cause immediate and substantial harm to any property outside of such defaulting Owner's Lot or to any person, the Olde Mill Committee shall have the right to enter upon such Lot for the purpose of correcting such failure and any harm or damage caused thereby, without any liability whatsoever on the part of the Olde Mill Committee. The failure or forbearance by the Olde Mill Committee to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or any attempted violation or breach of any of the covenants or restrictions contained in this Declaration cannot be adequately remedied by an action at law and that injunctive relief is appropriate. All costs incurred by the Olde Mill Committee in connection with any act or proceeding undertaken to abate, enjoin, or correct such failure, including attorney's fees shall be payable by the defaulting Owner upon demand by the Olde Mill Committee, and shall immediately become a lien against his Lot. The rights in the Owners and the Olde Mill Committee under this section shall be in addition to all other enforcement rights hereunder or at law or in equity.

Section 7 Olde Mill Committee.

Section 7.1 Powers of Olde Mill Committee.

7.1.1 In General. In order to preserve the natural quality and aesthetic appearance of the existing geographic area, no Olde Mill Residence, Building or improvement of any type or kind shall be repainted, constructed or placed on any Lot in Olde Mill and no existing trees shall be removed, without the prior written approval of the Olde Mill Committee. Such approval shall be obtained only after written application has been made to the Olde Mill Committee by the Owner of the Lot requesting authorization from the Olde Mill Committee. Such written application shall be in the manner and form prescribed from time to time by the Olde Mill Committee, and shall be accompanied by two (2) complete sets of plans and specifications for any

- (b) the design or color scheme of a proposed repainting or improvement is not in harmony with the general surroundings of the Lot or with adjacent Olde Mill Residences or structures; or
- (c) the proposed improvement, or any part thereof, or proposed tree removal, would, in the opinion of the Olde Mill Committee, be contrary to the interests, welfare or rights of all or any part of the other Owners.

The Olde Mill Committee shall consist of members designated by the Developer until the sooner of: (1) completion of an Olde Mill Residence on each Lot in Olde Mill; or (2) passage of control by Developer to Owners by virtue of a written document in recordable form. After a completed Residence is constructed on every Lot in Olde Mill, the Olde Mill Committee shall consist of three (3) Owners selected from time to time through the written approval of at least 66-2/3 percent of all Owners in Olde Mill. Membership on the Olde Mill Committee may be changed and vacancies shall be filled from time to time upon the written approval of at least 66-2/3 percent of all the Owners in Olde Mill; provided, however, that in the event of a vacancy on the Olde Mill Committee, the remaining (2) Olde Mill Committee members may appoint an Owner to the Olde Mill Committee to serve until the requisite percentage of Owners, as aforesaid, shall otherwise appoint an Owner to fill such vacancy.

Section 7.6 Approvals. Approvals, determinations, permissions or consent required herein shall be deemed given if they are given in writing signed with respect to the Olde Mill Committee by two members thereof (except during such time that the Developer controls this Olde Mill Committee, in which event the written approval of an authorized officer or agent of Developer shall suffice).
